## Veteran Teacher Decides To Delay Retirement

*-by Billy Tallmage*

In a surprise move, Mr. Hastings has reversed his decision to retire after 33 years of service to this school, and is planning to return to CA in the fall of 2017.

In a recent interview, Mr. Hastings said it was because he wants to leave with 35 years of work teaching under his belt. He continued by saying he thought the students would be happy to have him as their teacher for the next two years. We would all like to wish Mr Hastings good luck in his next two years at Colebrook Academy.

## Getting With the Times

*-by Brianna Fogg*

Colebrook Academy is finally getting with the times. During the summer of 2017, new lockers will be installed featuring keycard locks, enabling students to open their lockers simply by swiping their ID cards. On the first day of school, all students will be issued a temporary card until their identification card is printed. The new cards will be available after school pictures are taken.

Replacing the old lockers will be a significant facelift for the Academy as some of the old lockers have been there for many years.

## Colebrook To Get McDonald's

*-by Kiahna Smith*

Plans are in the works to bring a McDonald's franchise to the old Rite Aid building in Colebrook over the summer of 2017. Reports have come in of trucks delivering frying equipment, frozen food, and even a McFlurry machine.

Colebrook may be getting ahead in the times with this new fast food restaurant, as we will no longer have to travel 45 minutes to Lancaster to enjoy something as delicious as a Shamrock Shake.
