Spring Food Drive: Help If You Can, "The Need Is Great"

The Student Council is currently sponsoring a food drive to benefit Helping Hands North, Inc., a local nonprofit organization that provides food and clothing at low or no cost to those in need. Boxes will be placed in each Advisory, and students are asked to bring in non-perishable food items. Members of Student Council will collect and tally the donations, and a prize is being offered for the class that donates the most. The Student Council is urging people to bring in anything they can.

"The need is really great right now," said Ms. White, the Student Council Advisor. "Any help you can give is greatly appreciated."

The Food Drive will run until Thursday April 14.

CA Students Take A Trip To April's Maple

-by Taylor Siewierski

During the afternoon of March 18, 2016, students from Ms. White's and Mrs. Brooks's classes took a trip to April's Maple, a local maple syrup producer located on Rt. 114 in Canaan.

After meeting in Ms. White's room at around 10:15 to prepare for the afternoon, everyone boarded the bus that would take them to the site. Once there, the students went on a two-mile walk alongside the trees being tapped. Lunch was served when everyone returned. Students were given six dollars to spend at the store, in addition to any of their own money they wanted to bring. The day ended with the students and adults observing the processes and equipment used to make the maple syrup, and even getting to try some at the end.
